For Immediate Release

Pioneer Conferencing LLC Expands Coverage Area

December 1, 2007- Pioneer Conferencing LLC will now offer toll-free conference call services from Alaska, Hawaii and Puerto Rico at no additional charge beginning January 1, 2008. In response to growing demand for cost effective conference call services worldwide, Pioneer has introduced an expanded calling network. These areas are now part of the domestic toll-free schedule and can be used in conjunction with all Pioneer services. Pioneer will continue to examine additional toll-free options in 2008.

Pioneer Conferencing LLC is an innovative audio and web conferencing provider offering a full suite of services to the business community. The company offers user-friendly tools effective for use in any environment ranging from small collaborative meetings to large media rich events. Headquartered in Boonton, NJ, Pioneer is rapidly becoming a global leader in the market place, traversing all professional verticals. To learn more about Pioneer, please visit our website at www.pioneerconferencing.com or call (866) 535-3710.
